

PROVIDER GUIDE

HIPAA-secured transfer for Clear Billing Services, Inc.

Open **prism.clearbillingservices.com** on any phone, tablet, or computer. Sign in with your invited work email and login code, accept the PHI screen, then pick a path. Both stay inside Prism. Nothing goes by email, text, or shared Drive.

NEW · RECOMMENDED

Add cases

Enter each case as you finish it. Fastest path. Demographics can follow later and match by MRN.

CLASSIC · STILL SUPPORTED

Upload PDF

Charge sheets plus demographic sheets for the whole day, week, or whatever you have. One PDF or several. Either is fine. Same paper packet as before, now through Prism instead of email.

How a day moves

1 · ACCESS

Allowlisted work email. Uninvited addresses never reach the app.

2 · PHI SCREEN

Accept the acknowledgment. Activity is logged for ops review.

3 · CAPTURE

Add cases as you go, or Upload PDF for charge sheets plus demographic sheets (day, week, one file or several).

4 · MATCH BY MRN

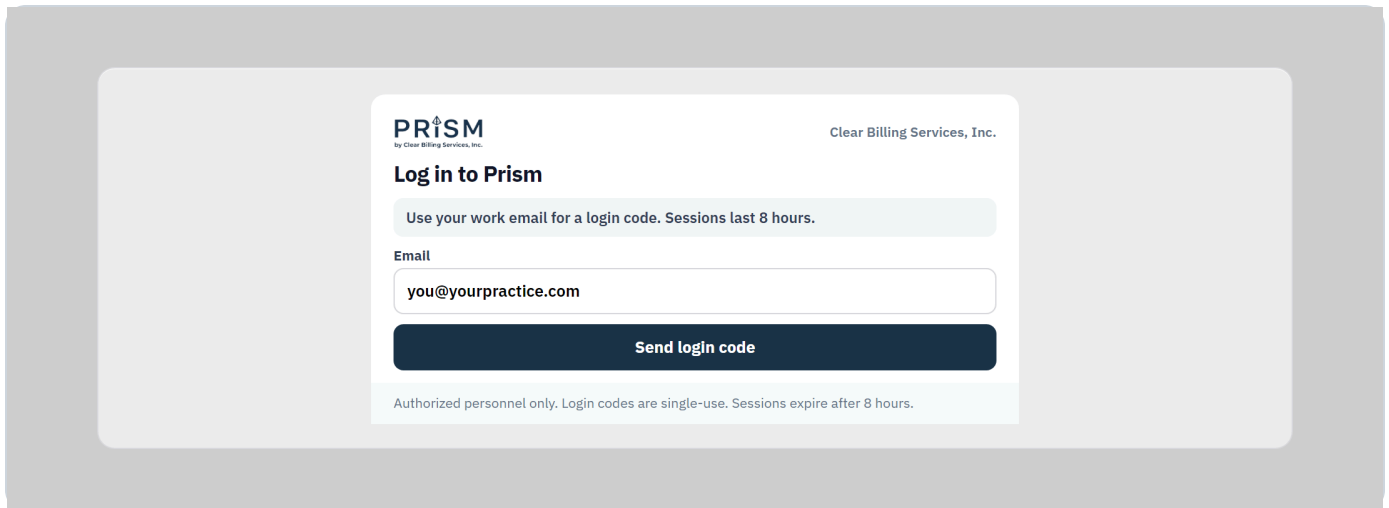

Demographic sheets can arrive later and sync to that DOS.

Steps

Each step, then the screen. Works on phone or computer.

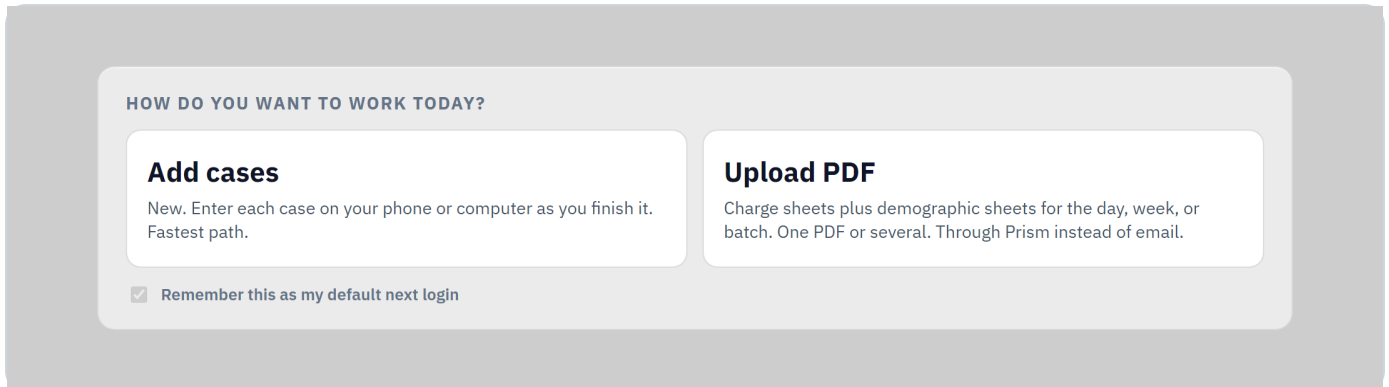

Step 1 • Sign in

Use your invited work email. Prism emails a single-use login code. Accept the PHI screen. Sessions last 8 hours.

A screenshot of the Prism login interface. At the top left is the PRISM logo with 'by Clear Billing Services, Inc.' below it. At the top right is 'Clear Billing Services, Inc.'. The main heading is 'Log in to Prism'. Below it is a light blue box with the text 'Use your work email for a login code. Sessions last 8 hours.' Underneath is the label 'Email' followed by a text input field containing 'you@yourpractice.com'. Below the input field is a dark blue button labeled 'Send login code'. At the bottom, a light green box contains the text 'Authorized personnel only. Login codes are single-use. Sessions expire after 8 hours.'

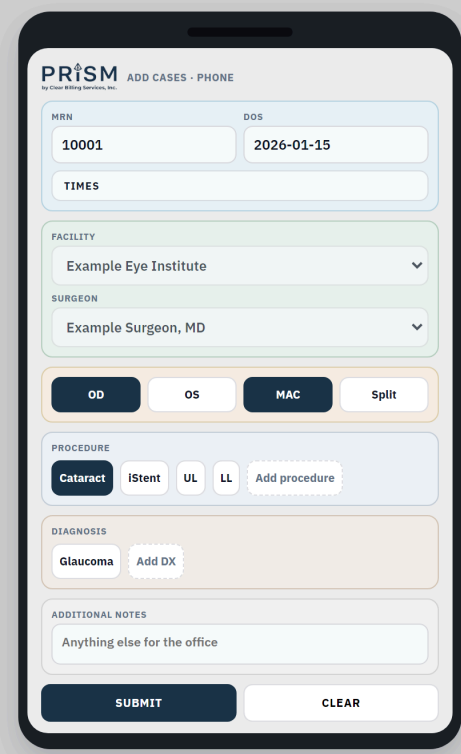

Step 2 • How do you want to work today?

Choose **Add cases** (new, recommended) or **Upload PDF** (classic paper packet). Optional: remember that choice as the default next login.

A screenshot of the 'How do you want to work today?' screen. The title 'HOW DO YOU WANT TO WORK TODAY?' is at the top. Below it are two white boxes. The left box is titled 'Add cases' and contains the text 'New. Enter each case on your phone or computer as you finish it. Fastest path.' The right box is titled 'Upload PDF' and contains the text 'Charge sheets plus demographic sheets for the day, week, or batch. One PDF or several. Through Prism instead of email.' At the bottom left is a checkbox that is checked, with the text 'Remember this as my default next login'.

Step 3 • Add cases

New path. Enter each case as you finish it. Fields: MRN, DOS, Times, facility, surgeon, procedure (Cataract, iStent, UL, LL, or Add procedure), diagnosis (Glaucoma, or Add DX), additional notes last. Demographics can follow later and match by MRN.

The image shows a mobile app interface for adding cases. The form is titled "PRISM ADD CASES - PHONE" and includes the following fields and options:

- MRN:** 10001
- DOS:** 2026-01-15
- TIMES:** (empty)
- FACILITY:** Example Eye Institute (dropdown)
- SURGEON:** Example Surgeon, MD (dropdown)
- OD, OS, MAC, Split:** (radio buttons)
- PROCEDURE:** Cataract, iStent, UL, LL, Add procedure (radio buttons)
- DIAGNOSIS:** Glaucoma, Add DX (radio buttons)
- ADDITIONAL NOTES:** Anything else for the office (text area)
- SUBMIT** and **CLEAR** buttons at the bottom.

Step 4 • Upload PDF

Classic path, still supported. Send the charge sheets plus demographic sheets for the whole day, week, or whatever you have. One PDF or several. Either is fine. Confirmation email has no PHI.

Upload PDF: charge sheets plus demographic sheets for the whole day, week, or whatever you have. One PDF or several. Either is fine. This replaced email. Confirmation email has no PHI.

Drop PDF here or tap to browse

PDF only • one file or several • up to 80 MB each

NOTE (OPTIONAL)

Optional note for our office

UPLOAD TO CLEAR BILLING SERVICES, INC.

Received. Confirmation email sent.

HIPAA requirements → what Prism does live

HIPAA expects covered entities and their business associates to protect ePHI with administrative, physical, and technical safeguards. Prism is the transfer channel to Clear Billing Services, Inc. Below is each common requirement and the live control that addresses it.

WHAT HIPAA EXPECTS	WHAT PRISM / CLEAR BILLING SERVICES, INC. RUNS LIVE
Unique user identity and controlled access to systems with ePHI	Cloudflare Access in front of Prism. Invited work email only + single-use login code. No shared office password.
Workforce access management (add and remove people who can see PHI)	Allowlisted identity. Unknown addresses never reach the app. Offboarding removes that email from the invite list.
Automatic logoff / session limits so idle access does not stay open	Sessions last 8 hours , then a fresh code is required. Out clears the session immediately.
Transmission security when ePHI moves over a network	All traffic is HTTPS with HSTS through a Cloudflare Tunnel. Not port-forwarded or left open on an office LAN.
Guard against unauthorized viewing in the browser (tampering / embedding)	Browser hardening with security headers that reduce clickjacking and drive-by embedding risk.
Protect ePHI in storage and avoid PHI in casual channels	Cases and PDFs go into Prism's vault. Confirmation emails carry no PHI . No email, text, or shared Drive for charts.
Audit controls and recoverable backups	Sign-in and intake activity are logged. Routine backups on the dedicated host path at Clear Billing Services, Inc. (power, uplink, and backup covered in the fee).

WHY \$49 / MONTH

\$49 / month

Similar secure-transfer stacks with identity, hosting, audit, and support commonly land in the \$200-\$800+ / month range.

Covers the Prism app, secure login, PHI screen, maintenance, dedicated hosting, power, uplink, and backups.
